**Question #1**  
You get a Picture Message from a friend. It's a really horrible picture of someone in your class. What do you do?

**A** I'd probably send it on to my friends for a bit of a laugh.

**B** I think I'd show it to whoever's around in the playground.

**C** Whatever. I'd probably just delete the message and forget about it.

**D** I'd have a giggle at it, but I don't think I'd show it to anyone.

**Question #2**  
A few of your friends have written some mean stuff on someone's wall. What do you do?

**A** I'd probably add a comment as well.

**B** If all my friends are doing it, I probably would too.

**C** Nothing. I'm not interested.

**D** I think I'd try to stick up for the person somehow.

**Question #3**  
You're on instant messenger and someone you don't like signs in. What do you do?

**A** Nothing. I'd just go on chatting to my friends.

**B** I'd try to trick the person into thinking they're my friend and then make fun of them with my real friends.

**C** I'd probably try to scare them away by sending them mean messages.

**D** I'd get my friends to go online and help me get the person to leave.

**Question #4**  
You get an email from someone you know, telling you they have a crush on you, but you don't really like them all that much. What do you do?

**A** I would probably forward the email onto my friends.

**B** I'd just tell them that I don't feel the same way and forget about it.

**C** I'd send as many mean emails as I can to let the person know I don't like them.

**D** I think I'd forward the email onto my friends with a note about how dumb that person is.
